JAN 26 1955

MEMORANDUM FOR: Deputy Director (Administration)

SUBJECT: Nominations for National War College and  
Harvard University Advanced Management  
Program.

REFERENCE: Your memorandum dated 20 January 1955,  
same subject.

1. I have no candidates whom I would recommend for the  
National War College.

25X1 2. I have a candidate who later may be considered for  
Harvard - probably for the next spring season a year from now.  
This man, [redacted] came to the Agency in August  
1953 as an experienced management officer. His age is 45 and  
he has just been promoted from the DD/P Area to Assistant  
Management Officer for the DD/I Area.

3. He is too new in the Agency for consideration today,  
to say nothing of the fact that I don't know yet how promo-  
tional he is. I think one doesn't propose a candidate who is  
not pretty securely promotional to a senior post.

4. There are no other possible candidates within the  
Management Staff today.

[redacted]  
Chief, Management Staff
